Dear Hardy Peller,

I am writing to express my strong interest in the Programmer position at King and Sons. With a solid background in programming, I am excited about the opportunity to contribute to your team's success and further develop my career.

Throughout my academic and professional journey, I have honed my skills in JavaScript, which I believe aligns well with the requirements of the Programmer role.

What excites me most about King and Sons is its reputation for solving complex business problems with technological solutions. I am inspired by your innovative approach, and I am eager to contribute my skills to help King and Sons achieve its mission.

Thank you for considering my application. I look forward to the possibility of contributing to King and Sons's ongoing success.

Sincerely,

William Borello
